HATE CRIME STATISTICS	
2022	Zero (0) hate crimes, as defined by applicable federal law, were reported at TCU in 2022.
2021	One (1) hate crime—intimidation based on national origin, as defined by applicable federal law, was reported at TCU in 2021.
2020	Zero (0) hate crimes, as defined by applicable federal law, were reported at TCU in 2020.

Unfounded Crimes: If a Clery Act crime is reported as occurring in any of the University's Clery Act geographic categories, a reported crime is unfounded only if sworn or commissioned law enforcement personnel make a formal determination that the report is false or baseless.

UNFOUNDED CRIMES	
2022	TCU had one (1) unfounded crime in 2022.
2021	TCU had one (1) unfounded crime in 2021.
2020	TCU had two (2) unfounded crimes in 2020.

^Changes to calendar year 2021 crime statistics reported in the 2022 Annual Security Report:

The fondling reports on campus changed from 4 to 8 and the fondling reports in on campus student housing changed from 4 to 7. Two (2) instances were misclassified (*originally believed to have occurred outside Clery geography—2 determined to be on campus and 1 in on campus student housing*) and 2 instances were determined to have occurred through further investigation after the initial report.

The aggravated assault reports on campus changed from 0 to 1. Injuries sustained were determined to be more severe than originally reported.

The domestic violence reports on campus changed from 2 to 15 and the domestic violence in on campus student housing changed from 2 to 15. These changes are due to the inclusion of “roommates” in the definition of “Household Member” outlined in the Texas Family Code (Section 71.004 Family Violence).

The stalking reports in on campus student housing changed from 1 to 2 due to an offense being recorded only in the on campus category when it should have also been recorded in the on campus student housing category as well.

The liquor law violation arrests on campus changed from 15 to 1 because 11 instances of public drunkenness were inadvertently included and 4 instances should have been classified as liquor law violation referrals. The liquor law violation referrals on campus changed from 834 to 838.

Annual Disclosure of Crime Statistics

Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics requires colleges and universities throughout the United States to disclose information about crime on and around their campuses. The TCU Police Department maintains a close working relationship with the Fort Worth Police Department to ensure that crimes reported directly to that department that involve the University are communicated to the TCU Police Department.

Compiling Crime Statistics

The TCUPD collects the crime statistics disclosed in this report through a number of methods. Police officers enter all reports of crime incidents made directly to the department through ARMS, automated report management system. After an officer enters the report into ARMS, a department administrator reviews the report to ensure it is appropriately classified in the correct crime category. Additionally, a written request for statistical information is made on an annual basis to all campus security authorities (CSAs). The TCUPD also receives crime information from the Title IX Office, Dean of Students Office, Human Resources, Fort Worth Police Department, and other applicable law enforcement agencies. The department periodically examines the data to ensure that all reported crimes are recorded in accordance with the crime definitions outlined in the FBI Uniform Crime Reporting Handbook.

Definitions of Crime Categories: Clery Act Offenses

Uniform Crime Reporting (UCR) Program

Under the Clery Act, for the purposes of counting and disclosing criminal offenses, hate crime, arrest and disciplinary referral statistics, it must be done based on the definitions provided by the Federal Bureau of Investigation's (FBI's) Uniform Crime Reporting (UCR) Program and the Hierarchy Rule. The Clery Act requires institutions to include four general categories of crime statistics: (1) Criminal Offenses; (2) Hate Crimes; (3) Violence Against Women Act (VAWA) Offenses; (4) Arrests and Referrals for Disciplinary Action.

Criminal Offenses

Murder/Non-negligent Manslaughter: The willful (non-negligent) killing of one human being by another

Manslaughter by Negligence: The killing of another person through gross negligence

Sex Offenses: Any sexual act directed against another person, without the consent of the victim, including instances where the victim is incapable of giving consent.

Rape: The penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim. This offense includes the rape of both males and females.

Fondling: The touching of the private body parts of another person for the sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental capacity.

Incest: Non-forcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.

Statutory Rape: Sexual intercourse with a person who is under the statutory age of consent.

Robbery: Defined as the taking or attempting to take anything of value from the car, custody, or control of a person or persons by force or threat of force or violence and/or by putting the victim in fear.

Aggravated Assault: Defined as an unlawful attack by one person upon another person for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm.

Burglary: The unlawful entry of a structure to commit a felony or a theft.

Motor Vehicle Theft: The theft or attempted theft of a motor vehicle.

Arson: Any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling house, public building, motor vehicle or aircraft, personal property of another, etc.

Hate Crimes: Hate crimes include all of the crimes listed above that manifest evidence that the victim was chosen based on one of the categories of bias (see **Hate Crimes Categories of Bias** section), plus the following crimes:

Larceny/Theft: The unlawful taking, carrying, leading or riding away of property from the possession or constructive possession of another. Constructive possession is the condition in which a person does not have physical custody or possession, but is in a position to exercise dominion or control over a thing.

Simple Assault: An unlawful physical attack by one person upon another where neither the offender displays a weapon, nor the victim suffers obvious severe or aggravated bodily injury involving apparent broken bones, loss of teeth, possible internal injury, severe laceration or loss of consciousness.

Intimidation: To unlawfully place another person in reasonable fear of bodily harm through the use of threatening words and/or other conduct but without displaying a weapon or subjecting the victim to actual physical attack.

Destruction/Damage/Vandalism of Property (except Arson): To willfully or maliciously destroy, damage, deface or otherwise injure real or personal property without the consent of the owner or person having custody or control of it.

Hate Crime Categories of Bias

Race: A preformed negative attitude toward a group of persons who possess common physical characteristics, e.g., color of skin, and/or hair; facial features, etc., genetically transmitted by descent and heredity which distinguish them as a distinct division of humankind, e.g., Asians, blacks or African Americans, whites.

Gender: A preformed negative opinion or attitude toward a person or group of persons based on their actual or perceived gender, e.g., male or female.

Gender Identity: A preformed negative opinion or attitude toward a person or group of persons based on their actual or perceived gender identity, e.g., bias against transgender or gender nonconforming individuals. Gender non-conforming describes a person who does not conform to the gender-based expectations of society, e.g., a woman dressed in traditionally male clothing or a man wearing makeup. A gender non-conforming person may or may not be a lesbian, gay, bisexual, or transgender person but may be perceived as such.

Religion: A preformed negative opinion or attitude toward a group of persons who share the same religious beliefs regarding the origin and purpose of the universe and the existence or nonexistence of a supreme being, e.g., Catholics, Jews, Protestants, atheists.

Sexual Orientation: A preformed negative opinion or attitude toward a group of persons based on their actual or perceived sexual orientation. Sexual orientation is the term for a person's physical, romantic, and/or emotional attraction to members of the same and/or opposite sex, including lesbian, gay, bisexual, and heterosexual (straight) individuals.

Ethnicity: A preformed negative opinion or attitude toward a group of persons whose members identify with each other, through common heritage, often consisting of a common language, common culture (often including a shared religion) and/or ideology that stresses common ancestry. The concept of ethnicity differs from the closely related term "race" in that "race" refers to a grouping based mostly upon biological criteria, while "ethnicity" also encompasses additional cultural factors.

National Origin: A preformed negative opinion or attitude toward a group of people based on their actual or perceived country of birth. This bias may be against people that have a name or accent associated with a national origin group, participate in certain customs associated with a national origin group, or because they are married to or associate with people of a certain national origin.

Disability: A preformed negative opinion or attitude toward a group of persons based on their physical or mental impairments, whether such disability is temporary or permanent, congenital or acquired by heredity, accident, injury, advanced age, or illness.

Violence Against Women Act (VAWA) - Covered Offenses

Dating Violence is defined as violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship shall be determined based on the reporting party's statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons

involved in the relationship.

- Dating violence includes, but is not limited to, sexual or physical abuse or the threat of abuse.
- Dating violence does not include acts covered under the definition of domestic violence.

Domestic Violence is defined as a felony or misdemeanor crime of violence committed—

- Fear for her/his or others' safety; or
- To suffer substantial emotional distress.
- *Course of conduct* means two or more acts including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person's property.

person has a dating relationship;

D) feel harassed, annoyed, alarmed, abused, tormented, embarrassed, or offended.

b) An offense under this section is a felony of the third degree, except that the offense is a felony of the second degree if the actor has previously been convicted of an offense under this section or of an offense under any of the following laws that contains elements that are substantially similar to the elements of an offense under this section:

1) the laws of another state;

2) the laws of a federally recognized Indian tribe;

3) the law of a territory of the United States; or

Arrest is defined as persons processed by arrest, citation or summons.

Referred for disciplinary action is defined as the referral of any person to any official who initiates a disciplinary action of which a record is established and which may result in the imposition of a sanction.

Definitions of Clery Geography

The Clery Act requires institutions to disclose statistics for crimes reported based on where the crimes occurred, to whom the crimes were reported, the types of crimes that were reported, and the year in which the crimes were reported. Institutions must disclose statistics for reported Clery Act crimes that occur (1) on campus, (2) on campus in a student housing facility, (3) on public property, and (4) in or on non-campus buildings or property that the institution owns or controls. The definitions for these geographic categories are Clery Act-specific are outlined below.

On-Campus

Any building or property owned or controlled by an institution within the same reasonably contiguous geographic area and used by the institution in direct support of or in a manner related to the institution's educational purposes, including residence halls; and

Any building or property that is within or reasonably contiguous to the area identified in paragraph (1) that is owned by the institution but controlled by another person, is frequently used by students and supports institutional purposes (such as a food or other retail vendor).

On-Campus Student Housing Facilities

Any student housing facility that is owned or controlled by the institution, or is located on property that is owned or controlled by the institution, and is within the reasonably contiguous geographic area that makes up the campus.

This definition includes the following types of housing:

Undergraduate, graduate and married student housing.

Single family houses that are used for student housing.

Summer school student housing.

Buildings that are used for student housing but also have faculty, staff or any other individuals living there. (This does not include faculty-only housing. Institution-owned or controlled faculty-only housing that is located on the campus is included in the “on-campus” category.)

Buildings that are owned by a third party that has a written agreement with our institution to provide student housing.

Housing for officially and not officially recognized student groups, including fraternity or sorority houses, that are owned or controlled by the institution or located on property that your institution owns or controls.

**Note: Statistics for university student housing facilities are recorded and included in both the all on-campus category and the On-Campus Student Housing Facilities only category*

Non-campus Building or Property

Any building or property owned or controlled by a student organization that is officially recognized by the institution; or

Any building or property owned or controlled by an institution that is used in direct support of, or in relation to, the institution’s educational purposes, is frequently used by students, and is not within the same reasonably contiguous geographic area of the institution.

Field Trips: Disclosure of statistics for crimes that occur on field trips at locations our institution does not own or control is not required.

Public Property

All public property, including thoroughfares, streets, sidewalks and parking facilities, that is within the campus, or immediately adjacent to and accessible from the campus. Public property, for purposes of data collection and this report, does not include businesses or private residences adjacent to the campus.

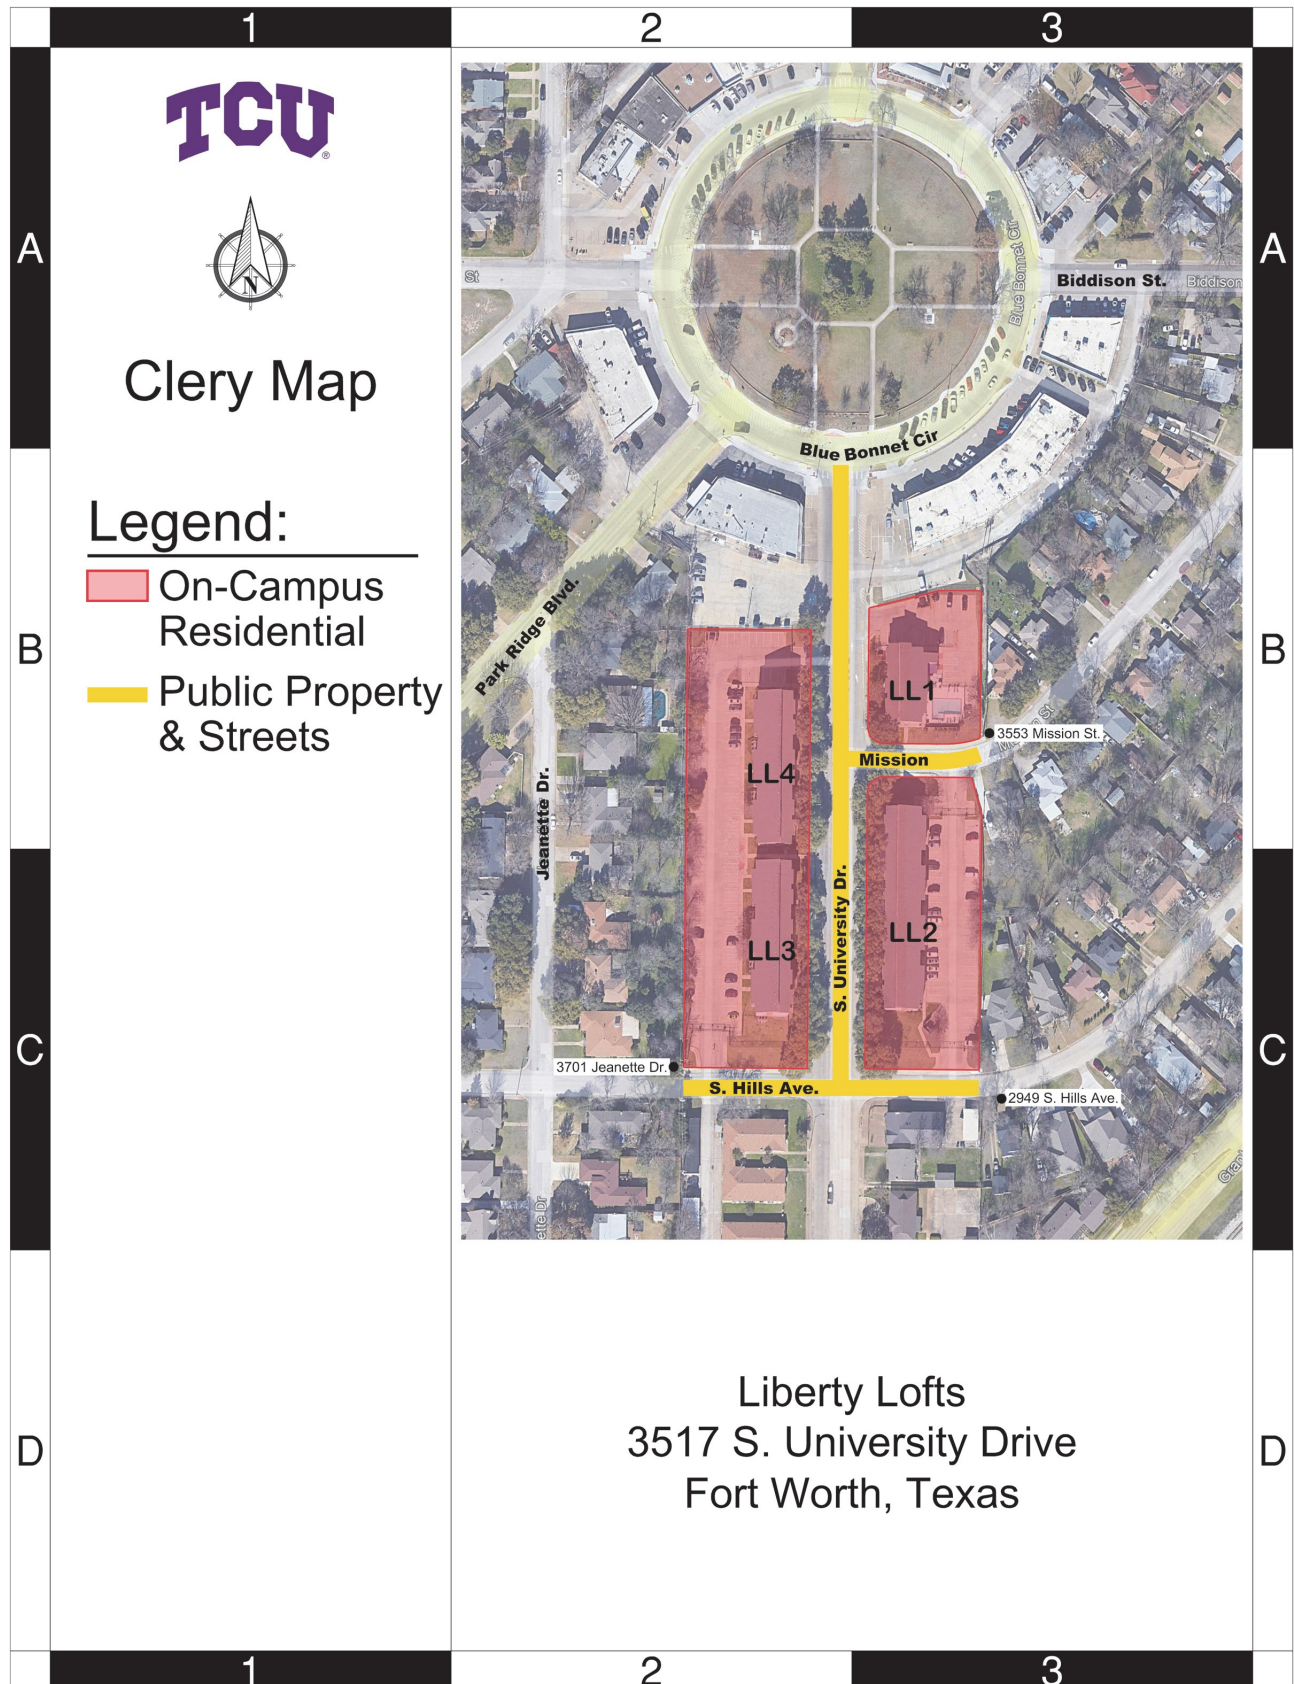

Reasonably Contiguous

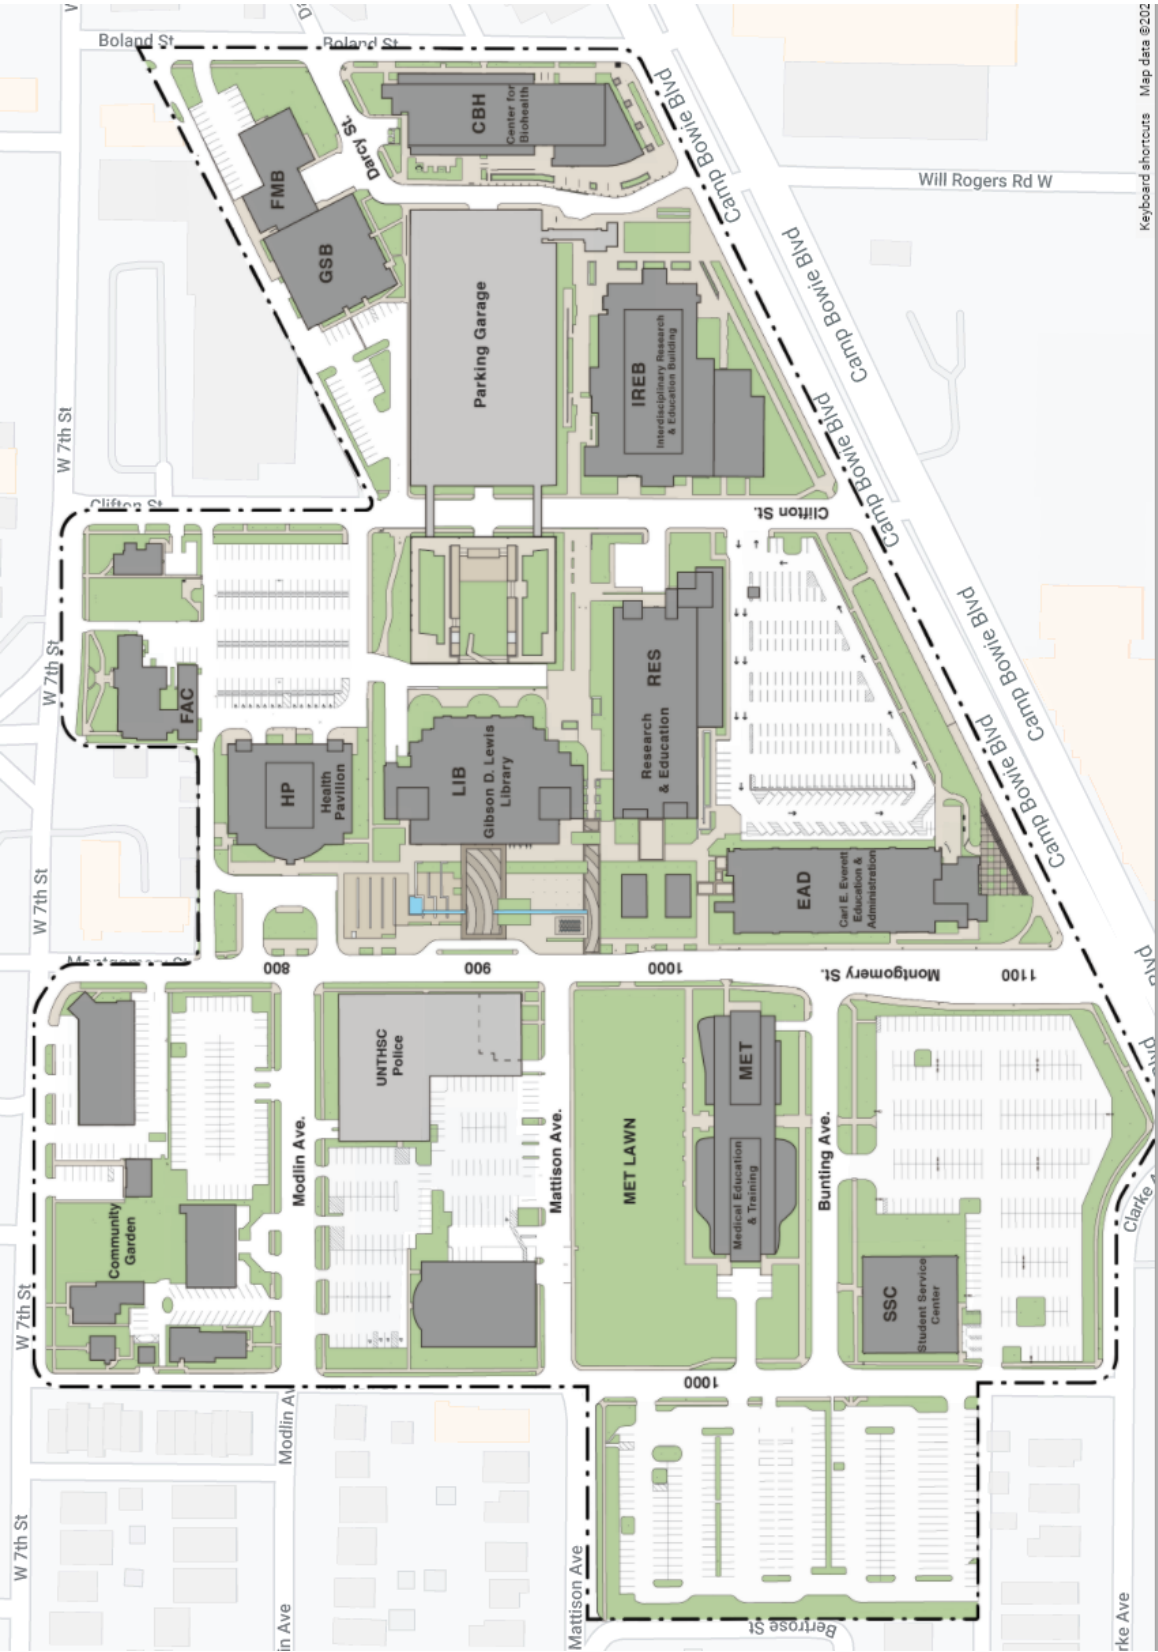

This refers to a building or property an institution owns or controls that is in a location that students consider to be, and treat as, part of the “campus”. Generally speaking, it is reasonable to consider locations within one mile from the main campus border to be reasonably contiguous with the campus.
